ALL LIABILITIES OF THE INDEM-NITY INSURANCE COMPANY of West Virginia having terminated, notice is hereby given that application has been made to A. W. Harman, Jr., Treasurer of Virginia, for the return of the deposit of this Company (810,000,00) held for the benefit of the policy-holders of this Company in the State of Virginia, L LARVEY, THORNBURG, Act. Sec'y.

I BEG TO ANNOUNCE TO MY friends and the public that I have again associated myself with the Boys' and Children's Department of O. H. BERK: & CO.'S, where I will be pleased to welcome and serve you in your boys' clothing needs. Assuring you that I am at all times appreciative of your favors, I am, very respectfully, J. WM. FRIEND.

PERSONS HAVING ANY CLAIM against the late LEROY S. EDWARDS are hereby requested to forward same for settlement before SEPT. 12th to LEROY S. EDWARDS, 224 Seventeenth Street, Newport News, Va.

We take this occasion to thank Justice John for an invitation to become a valuable member of his "Class," which meets every clear Sunday afternoon in a shady dell at Reservoir Fark.

We have a suspicion that it is the same "class" which meets in the keeper's box in Monroe Park every winter.

If so, we will certainly feel proud to join this summer class, for it is our great desire to hear the various questions of moment discussed and settled by such master minds as Louis Washer, Billy Leahman, Clyde Saunders, Capt. Whitelock, Bob Masurier, Detective Gibson, Sergennt Mathews and the great and only Crutchneid himself.

If we were a member of Council like Harry Huher, we would make a kick; although when you come to think of it, he hasn't room to kick, for ain't he on the market committee, the almshouse committee and the cemetery committee? When his money runs out and he can't get credit in the market, he can go to the poor-house, and when he passes in his chips there he can get a decent function of the poor-house, and when he passes in his chips there he can get a decent function of the poor-house, and when he passes in his chips there he can get a decent function of the poor-house, and when he passes in his chips there he can get a decent function of the poor-house, and when he passes in his chips there he can get a decent function of the poor-house, and when he passes in his chips there he can get a decent function of the poor-house, and when he passes in his chips there he can get a decent function of the poor house, and when he passes in his chips there he can get a decent function of the poor house, and when he passes in his chips there he can get a decent function of the poor house, and when he passes in his chips there he can get a decent function of the poor house, and when the passes in his chips there he can get a decent function of the poor house, and when the passes in the comment the comment of the poor house, and when the passes in the poor here.

Cometery, things must be taken into consideration, but if he had only been put on the water committee he might have been able to keep the grass on his grave

We have just been informed that Arthur Pearson, the kid advance man of the "Alone in the World" company, that he is the welter-weight champion wrestler from Red Wing, Minn.

Had we knewn of this before we would have got up a match with him and settled the championship game sure for all while we were inspecting the remarkable ice plant at the Home Brewery the other day.

day.

However, when he gets to Atlanta and
Hinghey Cardozo gets him in hand, we
will watch the press reports from that

We are glad to see so many of our old triends on the street committee. That bunch may be expected to get after Supt. Henry Coin on the slightest provocation, so that we won't have to get a new dress every time the brown-eyed girl takes g walk.

a walk.

If they will only let the electricity committee get what is coming to them, we hope to have a new telephone and some electric lights in our house before snow falls.
